

Springview Elementary Birthday Book Club

Celebrate your child’s birthday by making the Springview Birthday Book Club a part of his or her birthday celebration! This is a great way to celebrate the occasion while also supporting our school media center. This generous funding source will help us to ensure our library collection is continually updated with new books and resources.

The children will receive a birthday certificate, they will choose a book and a special label with your child’s name, birthday and who is honoring them will be placed in the front of the book. On the week of your child’s birthday, he or she will receive the special book and a birthday acknowledgement during the morning announcements. This is a wonderful record of your child’s time here at Springview Elementary! The text on book labels can also be customized for other occasions such as teacher & staff birthdays, Teacher Appreciation Week or class gifts.

To be a part of this exciting program, please complete the form below and return it with \$15.00 in an envelope marked “Birthday Book Club” (cash or check payable to Sprinview PTA). If your child has a summer birthday, consider the Book Club on or near his/her half birthday or at the beginning or end of the school year.

Please complete and return the below to your child’s homeroom teacher or the main office.
